Dear Parish Clerk

I hope you're well

I am writing to thank you for your previous engagement with Clean Slate—whether through funding, referrals, or wider community support. Your contribution has helped us provide trauma-informed care to individuals across Oxfordshire who have experienced abuse, exploitation, and complex trauma.

As demand for our services continues to grow, we are inviting parish councils to consider making a donation towards our work this year. Your support directly enables us to:

- Deliver therapeutic group programmes that promote healing and empowerment
- Train and supervise volunteers to ensure safe, ethical, trauma-informed support
- Provide safeguarding-informed referrals and crisis responses for individuals at risk
- Develop accessible, inclusive resources for survivors and community partners

We would be delighted to continue working in partnership with you. If you are able to contribute, we can offer impact updates, anonymised case studies from your area, or attend a council meeting to share more about our work.
